Slate Thrift Exhibit Next Week At 8-15

Timely and important thrift exhibit, in conjunction with the Town Hall, is being conducted at 8-15 museum, stated Kiyotsugu Tsuchiya, director. Utilization of waste products which in pre-war days were discarded without a second thought are made into useful articles as shown in the exhibit.

"To make this exhibit and the monthly exhibits to be held in the future, will require full co-operation of the people," he stated.

Mr. Tsuchiya also added that anything made from utilized products will be welcomed for exhibition. The thrift exhibit began Thursday and will continue until April 5.
